

Request for Reconsideration of Access to a Website

Please use this form if you would like to request that a website be added or removed from our Internet filters. Please read our Computer and Internet Use Policy, III. Internet Use section, for information about mandatory Internet content filtering at Lake County Public Library. If you have any other questions regarding computer use and policy at the Library, please review all the Computer and Internet Use Policy information.

Name:

Your email address:

Phone number:

Web site address:

Would you like the library to review this web site because you think it should be:

Blocked

Unblocked

The LCPL's Computer Issues Committee will evaluate the request and notify you within 2 weeks.
